# Postknight fractured forest guide

Decisive success is here! After a two-month launch, Postknight finally extended his adventure to a new space in their latest update today. You'll be able to find new faces and fight new enemies in the newly renovated jungle cracked area. There is also a department (Pyrodash, Neverwhisk or Etherdawn) where you can join, participate and earn credits to rank within your department and compete with another 2. Special memories will be ready to be achieved after you reach 5 hearts with girls, and the level cap will be raised to 99 Tags: AndroidiOSKurechiiPostknightPostknight: Fractured Feat [Division Rank Top 10 Guide] Have you ever contributed plenty of material just to squeeze into the top 10 divisions? Some players have ridiculous points that you can hardly achieve? It's your time to play smarter and let the game play automatically while you're asleep. The S-rank uniform didn't take long to pick up, as quoted from [Idle Heroes]. A difficult life, your precious day time should do something more meaningful. 1. Install [Auto Click - Auto Tap] 2. Click [Multi-Target Mode] 3. Add [6 goals] as shown Note: The video shows only 1 round and a quarter of the play in the Vilery arena to indicate that it can loop endlessly. Note: Your character is presumably well crafted, or you may refer to . However, the herbs needed to create herbs are few and far between Kurestal, which means that they need to resort to cracked forests, where the herbs are much more abundant. Postknight helps fight enemies in fractured forests to expand the scope where alchemists can find herbs and encounter many challenges from local villagers along the way. Overview[Edit editing] The Fractured Forest There is a purple theme, which means that the background of plants, pests, etc. is completely purple or has a purple element. This coloring feels ominous, fits the dangerous theme. In addition, Forest Fractured also has different songs from all other villages, more ominous music. The background has many shiny and blooming trees and small rivers with deforestation and fireflies to make it look like a forest. strange jungle crack in design This area has no love or pets, and only three tents compared to the four dwellings of other areas. Kale in the first tent acts as a person, leading to a new allocation menu and recovery. After completing the cracked forest, the second character appears at this tent as part of the story. However, such characters are not interested in love. Blacksmiths live in the third tent, and to compensate for having less housing than usual, both alchemists and traders live in two tents, both having to unlock as part of the story. Instead of the traditional five paths, fractured forest has eight, which can be roughly grouped into the Wolo Route (from Westward Way to Wolo Hollow) and the Hooligan Trail (from Grim Grove to Vilery). When players beat enemies in cracked forests, they get tier 6 items and equipment. Crack Forest uses different sets of ore and wood from the Golden Valley: Mythril. And Purpleheart Logs replaced the gold notes and elders pine. There are no commercial offers for gifts or items unrelated to Fractured Forest itself Limited. Their value is somewhat in the trade and piles up in the player inventory. For example, gold bullion can be traded for titanium ore, which is a legendary gift Mythril Bars cannot trade for anything and renders worthless and
